Wederom has a fascinating history dating back to 1933 where a unique tapestry of Italian, Dutch, and South African influences gave rise to the farm's distinctive character and charm.

Nestled deep in the Langeberg Mountains, in Robertson known affectionately as the valley of wine and roses and as the '*Love Story*' of the South African Winelands, the Wederom backdrop is an extraordinary setting for one of the most special days in our client's lives.

At Wederom, natural scenic beauty, a striking, contemporary wedding venue and a deeply personal planning experience come together to make the wedding experience unforgettable.
